Dear Judge Cott:

I write to request that the Court accept electronic filing of Ms. Pacheco's sentencing memorandum with redactions of any reference to her experience with domestic violence as a victim. The redactions are necessary to protect her privacy and safety as well as the privacy and safety of her minor children. Other redactions concerning her health and her minor children have been made pursuant to the E-Government Act of 2002.

An unredacted version of the memorandum will be provided to the Court and government by email.

Thank you for your consideration of this request.

Respectfully submitted,
